

House Bill No. 879

An act relating to the South Indian River Water Control District, Palm Beach County; providing for codification of special laws relating to the South Indian River Water Control District; amending, codifying, reenacting, and repealing all prior special acts; providing for creation, status, charter amendments, and boundaries; providing for a board of supervisors and powers and duties; providing minimum charter requirements in accordance with s. 189.404, F.S.; providing for construction and effect; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Pursuant to section 189.429, Florida Statutes, this act constitutes the codification of all special acts relating to the South Indian River Water Control District. It is the intent of the Legislature to provide a single, comprehensive special act charter for the district including all current legislative authority granted to the district by its several legislative enactments and any additional authority granted by this act and chapters 189 and 298, Florida Statutes, as amended from time to time. It is further the intent of this act to preserve all district authority as set forth in this act, and chapters 189 and 298, Florida Statutes, and any other applicable general or special law.

Section 2. Chapters 11006 (1925), 12271 (1927), 19344 (1939), 20654 (1941), 21731 (1943), 69-1411, 71-820, 78-582, 79-534, 80-575, 81-462, 87-515, 87-517, 91-402, and 2000-435, Laws of Florida, related to the South Indian River Water Control District, are amended, codified, reenacted, and repealed as provided herein.

Section 3. The charter for the South Indian River Water Control District is re-created and reenacted to read:

Section 1. Creation; status; charter amendments; boundaries.—For the purpose of comprehensive water management and control pursuant to chapter 298, Florida Statutes, as it may be amended from time to time, the South Indian River Water Control District, an independent water control district, is hereby declared to exist. The district is organized and exists for all purposes set forth in this act and chapters 189 and 298, Florida Statutes. Section 2. Minimum charter requirements.—In accordance with section 189.404(3), Florida Statutes, the following subsections shall constitute the minimum charter requirements for the South Indian River Water Control District:

(1) The District is organized and exists for all purposes set forth in this act and chapter 298, Florida Statutes, as they may be amended from time to time.

(2) The powers, functions, and duties of the District regarding non-ad valorem assessments, bond issuance, other revenue-raising capabilities, budget preparation and approval, liens and foreclosure of liens, use of tax deeds, tax certificates, and contractual agreements shall be as set forth in this act, chapters 170, 189, 197, and 298, Florida Statutes, or any other applicable general or special laws, as they may be amended from time to time.

(3) The District was created by judicial decree on July 3, 1923, and confirmed by special act of the Florida Legislature by chapter 11006 (1925), Laws of Florida, in accordance with chapter 298, Florida Statutes.

(4) The District's charter may be amended only by special act of the Legislature.

(5) In accordance with chapter 189, Florida Statutes, this act, and chapter 298, Florida Statutes, the District is governed by a five-member board, elected on a one-acre, one-vote basis by the landowners in the District. The

election, membership, and organization of the board shall be as set forth in this act and chapter 298, Florida Statutes, as they may be amended from time to time.

(6) The compensation of board members shall be governed by this act and chapter 298, Florida Statutes, as they may be amended from time to time.

(7) The administrative duties of the Board of Supervisors shall be as set forth in this act and chapter 298, Florida Statutes, as they may be amended from time to time.

(8) Requirements for financial disclosure, meeting notices, reporting, public records maintenance, and per diem expenses for officers and employees shall be as set forth in chapters 112, 189, 286, and 298, Florida Statutes, as they may be amended from time to time.

(9) The procedures and requirements governing the issuance of bonds, notes, and other evidence of indebtedness by the District shall be as set forth in this act, chapter 298, Florida Statutes, and applicable general laws, as they may be amended from time to time.

(10) The procedures for conducting District elections and for qualification of electors shall be pursuant to this act and chapters 189 and 298, Florida Statutes, as they may be amended from time to time. Provided however, a quorum for purposes of holding the annual meeting or any special meeting shall consist of those landowners present in person or represented by proxy at said meeting.

(11) The District may be financed by any method established in this act, chapter 298, Florida Statutes, and applicable general laws, as they may be amended from time to time.

(12) The methods for collecting non-ad valorem assessments, fees, or service charges shall be as set forth in chapters 170, 197, and 298, Florida Statutes, and other applicable general laws, as they may be amended from time to time.

(13) The District's planning requirements shall be as set forth in chapters 189 and 298, Florida Statutes, as they may be amended from time to time.

(14) The District's geographic boundary limitations shall be as set forth in section 1 of this charter.

Section 3. Board of Supervisors; elections.—

(1) The Board of Supervisors of the South Indian River Water Control District shall consist of five members, at least three of whom but not more than four of whom shall reside in the District, at least one of whom shall reside to the East of Canal 18, and at least one of whom shall reside to the West of Canal 18.

(2) The Supervisor of Elections of Palm Beach County shall receive all of the ballots, shall count said ballots, and shall report to the Board of Supervi-

sors the results of the counting as soon as practicable after the election. The Supervisor of Elections will then safeguard all of the ballots and any interested landowner may examine the ballots under the supervision of the Supervisor of Elections so that any landowner may have an opportunity to contest the election by filing objections with the Board of Supervisors concerning any ballot believed to be incorrect or improper. All objections must be filed in writing with the Board of Supervisors no later than 1 week from the date of the election. Members of the board shall be elected for terms of 3 years.

Section 4. Water control and maintenance taxes.—

(1) The Board of Supervisors of the South Indian River Water Control District in Palm Beach County is hereby authorized, empowered, and required to levy upon all the lands within said district against which benefits have been assessed, the annual installment of water control taxes and maintenance taxes as provided for under the general water control laws of the state, and it shall certify said annual installment of water control taxes and maintenance taxes pursuant to this act and chapters 197 and 298, Florida Statutes, in the name of its president and secretary and under its corporate seal, in the manner provided by law. Provided all water control taxes, maintenance taxes, or any other taxes authorized herein shall be defined as non-ad valorem assessments as required by general law.

(2)(a) It shall be the duty of the Property Appraiser of said county to assess against each tract of land within said district against which benefits have been assessed as the same is certified to the Property Appraiser each year, the taxes as levied and certified by said Board of Supervisors as hereinabove provided and to extend the total of said taxes upon the assessment roll as required by chapter 197, Florida Statutes; and

(b) It shall be the duty of the Tax Collector of Palm Beach County to collect such taxes so levied and assessed in the same manner and at the same time as state and county taxes are collected and the Tax Collector shall pay the same to the Treasurer of said District within the time prescribed for the payment over of state and county taxes. No additional bond shall be required of the Tax Collector over that presently required by the provisions of law.

(3) It shall be the duty of said Treasurer to hold said taxes so paid over to him or her for the credit of said District, to be paid out as prescribed by law.

(4) That all taxes levied and assessed, as hereinabove provided, shall be due and payable and shall be delinquent and shall thereafter bear the same penalties and the payment thereof be enforced by the Tax Collector of Palm Beach County in the same manner and at the same time as the payment of state and county taxes upon said land is enforced. The right to foreclose delinquent taxes by the District or by bondholders of the District, as provided in chapter 298, Florida Statutes, shall not be affected by anything herein contained.

(5) The Property Appraiser and Tax Collector of Palm Beach County shall have and receive the same compensation for said assessment and collection of said taxes as is now allowed by law for the assessment and collection of Water Control District taxes which shall be allowed and paid out of the taxes so collected.

Section 5. Maintenance of District accounts.—The Board of Supervisors of the South Indian River Water Control District is hereby required to maintain its accounts and books of record in a manner conforming with generally accepted accounting principles and in a manner which will provide for the tracing of receipts and expenditures applicable to road construction; the tracing of receipts and expenditures applicable to road maintenance; the tracing of receipts and expenditures applicable to the maintenance of water control works; the tracing of receipts and expenditures applicable to the construction of water control works; the tracing of receipts and expenditures applicable to the maintenance of facilities for potable water distribution and wastewater collection systems; and the tracing of receipts and expenditures applicable to the construction of facilities for fresh water and sewage and waste removal. The term “water control works” as used herein shall be defined as those water control works set forth in chapter 298, Florida Statutes. Further, the maintenance budget of the District shall be presented in at least two budgets, which shall not include an administrative budget. All administrative costs must be allocated to the budget affected. Additional budgets will be set up for road construction, traffic control devices, and the construction of facilities for potable water distribution and wastewater collection systems. All assessments will be in direct relationship to the budget and each budget will be a true reflection of the benefits received by the acres or parcels assessed.

Section 6. Notice of annual landowners’ meeting.—

(1) The Board of Supervisors of the South Indian River Water Control District is authorized and empowered to notify by mail each landowner in the District of the date, time, and place of the annual landowners’ meeting. Said notice shall be postmarked no later than 30 days prior to said meeting and mailed to the mailing address of each landowner as indicated by the Property Appraiser. In the event that the Board of Supervisors sends such notice by mail pursuant to this section, notice shall not be required as provided in section 298.11, Florida Statutes.

(2) The Board of Supervisors is authorized and empowered to send with the notice specified in paragraph (1) forms for proxies and absentee ballots to be executed by the respective landowners. Proxy forms and absentee ballots distributed pursuant to this act shall be in a form adopted by the Board of Supervisors. Executed absentee ballots and proxies shall be received by the Secretary of the District at the offices of the District prior to the time of the annual landowners’ meeting. Returned absentee ballots and proxies shall be held unopened by the Secretary until said meeting. In the event that the Secretary of the District is a Supervisor whose office is up for election, then the returned absentee ballots and proxies shall be received and held by the President of the Board.

(3) The Board of Supervisors of the South Indian River Water Control District in Palm Beach County is hereby authorized, empowered, and permitted to expend funds of the District to pay for the printing and mailing of the notices specified in paragraph (1) and the proxy forms and absentee ballots specified in paragraph (2).

Section 7. Road maintenance defined.—The purchase and placement of stable materials within the District shall be deemed to constitute road maintenance and not road construction.

Section 8. Definition of parcel.—For the purposes of this act, land which is under one ownership, is not physically divided by any intervening ownership or easement, which is not subdivided, and which contains no more than one residence shall be deemed to be one parcel. If land which otherwise meets the requirements has more than one residence, it shall be deemed to constitute as many parcels as there are residences.

Section 9. Annexation; outfall limitation.—

(1) Upon the occurrence of the events described in paragraph (3), the following lands shall be annexed into the South Indian River Water Control District in Palm Beach County, and the boundary lines of the South Indian River Water Control District are hereby extended to include an area of land consisting of the West one-half of Section 4, and the East one-half of Section 5, Township 41 South, Range 41 East, less the State Road 706 right-of-way, in Palm Beach County, said area being contiguous to lands presently within the District.

(2) The Plan of Reclamation for the area to be annexed shall be that Plan which was approved by the Engineer for the District, was constructed to the satisfaction of the Engineer for the District, and is maintained in the District's Minutes labeled "Indian Lakes Estates, Palm Beach County, Florida, prepared by Shalloway, Inc., Engineer of Record for Stuart Enterprises, Drawing #79-37-01 consisting of Sheets 1 through 5 plus the cover sheet and all amendments/changes thereto." For 25-year storm conditions, the maximum outfall from the annexed area into the remainder of the District shall not exceed 8 cubic feet per second. For 100-year storm conditions, the maximum outfall from the annexed area into the remainder of the District shall not exceed 13 cubic feet per second.

(3) This annexation shall take effect upon certification to the Secretary of State of the approval of the Circuit Court of the Eighth Plan of Reclamation, a final Report of the Commissioners, upon the District's ability to implement reverse flow through the G-92 Structure, through contract with the South Florida Water Management District.

Section 10. Formulation and implementation of road plan and water control plans.—

(1) The Board of Supervisors of the South Indian River Water Control District in Palm Beach County is hereby authorized to proceed in accordance with the provisions of chapter 298, Florida Statutes, and the District Engineer is hereby given the additional authority, in conjunction with the Dis-

trict Engineer's powers pursuant to section 298.16, Florida Statutes, to formulate a road plan and water control plans for all of the lands within the District and to formulate plans for providing potable water distribution and wastewater collection systems to those lands within the District lying East of Canal 18 of the South Florida Water Management District, and to the Northeast Quarter (NE ¼) of the Northeast Quarter (NE ¼) plus the North one-half (N ½) of the North one-half (N ½) of the Southeast Quarter (SE ¼) of the Northeast Quarter (NE ¼) of Section 1, Township 41 South, Range 41 East, in Palm Beach County, with different taxing areas within the taxing District according to the benefits received, and to revise the plans according to the benefits received from time to time, taking into consideration both construction and maintenance benefits so as to most equitably provide for taxation according to benefits. The Board of Supervisors is hereby given the additional authority, in conjunction with its powers pursuant to section 298.22, Florida Statutes, to implement and authorize construction and maintenance of those improvements outlined in the road plan, water control plans, and potable water distribution and wastewater collection systems plans, according to the benefits received so as to most equitably provide for taxation within the taxing District.

(2) In order to implement the road plan and water control plans of the District, and the potable water distribution and wastewater collection systems plans for all lands within the District lying East of Canal 18 of the South Florida Water Management District, and to the Northeast Quarter (NE ¼) of the Northeast Quarter (NE ¼) plus the North one-half (N ½) of the North one-half (N ½) of the Southeast Quarter (SE ¼) of the Northeast Quarter (NE ¼) of Section 1, Township 41 South, Range 41 East, in Palm Beach County, the Board of Supervisors of the South Indian River Water Control District is hereby authorized to exercise any and all powers granted to the District in this act, sections 298.22 and 298.23, Florida Statutes, and elsewhere in chapter 298, Florida Statutes. The Board of Supervisors is hereby further authorized to take any and all actions necessary to implement the road plan and water control plans of the District, and potable water distribution and wastewater collection systems plans for all lands lying East of Canal 18 of the South Florida Water Management District, and to the Northeast Quarter (NE ¼) of the Northeast Quarter (NE ¼) plus the North one-half (N ½) of the North one-half (N ½) of the Southeast Quarter (SE ¼) of the Northeast Quarter (NE ¼) of Section 1, Township 41 South, Range 41 East, in Palm Beach County.

Section 11. Formation of engineering plan.—The Board of Supervisors is hereby prohibited from authorizing the formation of an engineering plan, including estimated costs, unless there is documented evidence that at least 25 percent of the affected landowners desire to have such a plan formulated, and, thereafter, the Board of Supervisors is prohibited from constructing any new road or increasing the quality of any existing road within the District, except for the placement of stable materials, or constructing any facilities to provide potable water distribution and wastewater collection systems to those lands within the District lying East of Canal 18 of the South Florida Water Management District, and to the Northeast Quarter (NE ¼) of the Northeast Quarter (NE ¼) plus the North one-half (N ½) of the North one-half (N ½) of the Southeast Quarter (SE ¼) of the Northeast Quarter (NE

¼) of Section 1, Township 41 South, Range 41 East, in Palm Beach County, until there has first been a vote in favor of the construction or improvement by the owners of a majority of the parcels represented in the voting after notice has been duly given to all of the owners of the lands within the area to be benefited in the same manner as notice is given and vote taken in the Annual Landowners Meeting. A petition signed by the owners of 51 percent of the parcels to be assessed and certified by the county Supervisor of Elections will satisfy each of the above requirements.

Section 12. Authority to fund engineering studies, road improvements, recreational lands.—The Board of Supervisors of the South Indian River Water Control District in Palm Beach County is hereby authorized, empowered, and permitted to expend funds of the District to pay for engineering studies for the purpose of planning a road improvement program, and to pay for the construction, maintenance, improvement, and repair of dedicated roads and road rights-of-way, including the swales thereof, within the District where such construction, maintenance, improvement, and repair is not performed by other governmental bodies and to levy special assessments to acquire, construct, and maintain said improvements on the basis of parcels benefited rather than acres benefited for said purposes. The Board of Supervisors of the South Indian River Water Control District is further authorized, empowered, and permitted to expend funds of the District to pay for engineering studies for the purpose of planning facilities to provide potable water distribution and wastewater collection systems to those lands lying East of Canal 18 of the South Florida Water Management District, and to the Northeast Quarter (NE ¼) of the Northeast Quarter (NE ¼) plus the North one-half (N ½) of the North one-half (N ½) of the Southeast Quarter (SE ¼) of the Northeast Quarter (NE ¼) of Section 1, Township 41 South, Range 41 East, in Palm Beach County, in cooperation with the Town of Jupiter and the Loxahatchee River Environmental Control District, and to pay for the construction, maintenance, improvement, and repair of those facilities where such construction, maintenance, improvement, and repair is not performed by other governmental bodies, and to levy special assessments, on the basis of parcels or front footage benefited, acres benefited or other lawful basis, for said purposes, and to transfer said facilities to the Town of Jupiter and the Loxahatchee River Environmental Control District for operation and maintenance. The Board of Supervisors of the South Indian River Water Control District is further authorized to receive and maintain real and personal property for recreational purposes for land within the District lying East of Canal 18 of the South Florida Water Management District only, and to make it available for the use of the landowners. The Board of Supervisors is authorized to expend funds of the District to pay for the maintenance of such property, the cost of which shall be borne by the landowners owning land lying East of Canal 18 of the South Florida Water Management District.

Section 13. One-time assessment for improvement project.—At the time of beginning any improvement project authorized by chapter 298, Florida Statutes, or any special legislation for the South Indian River Water Control District, the Board of Supervisors of the District is authorized and empowered to levy a one-time special assessment upon the land to be benefited to pay for the anticipated initial legal and engineering planning cost of said

project, after notice has been given and an opportunity afforded to the landowners to discuss the project at a regularly scheduled meeting. The estimated initial planning cost of the project must be presented as part of the annual budget. No district moneys may be expended prior to the levy of said special assessment.

Section 14. Transfer of roads and potable water distribution or wastewater collection systems to another governmental entity.—If any governmental entity, whether existing at this time or created in the future, elects to construct, improve, or maintain any road within the District, or elects to construct, improve, maintain, or operate facilities to provide potable water distribution and wastewater collection systems to those lands within the District lying East of Canal 18 of the South Florida Water Management District, and to the Northeast Quarter (NE ¼) of the Northeast Quarter (NE ¼) plus the North one-half (N ½) of the North one-half (N ½) of the Southeast Quarter (SE ¼) of the Northeast Quarter (NE ¼) of Section 1, Township 41 South, Range 41 East, in Palm Beach County, and the owners of a majority of the parcels within the District as a whole or a majority of the landowners within the area to be benefited are in favor of said election, then the Board of Supervisors shall cease constructing, improving, or maintaining said road or roads or facilities providing potable water distribution and wastewater collection systems to those lands within the District lying East of Canal 18 of the South Florida Water Management District, and to the Northeast Quarter (NE ¼) of the Northeast Quarter (NE ¼) plus the North one-half (N ½) of the North one-half (N ½) of the Southeast Quarter (SE ¼) of the Northeast Quarter (NE ¼) of Section 1, Township 41 South, Range 41 East, in Palm Beach County, on a date agreeable to the entity which elects to assume such obligation, but in no event later than 30 days after the meeting of the Board of Supervisors wherein the election and vote are communicated to the board. Pursuant to this provision, and with the agreement of the electing entity, the District may transfer equipment, water, sanitary sewage lines, funds, materials, and obligations to the electing entity.

Section 15. Authority to issue bonds.—The Board of Supervisors of the South Indian River Water Control District is hereby authorized to issue bonds to pay for the purchase of equipment, the construction and improvement of dedicated roads and road rights-of-way including the swales thereof within the District, all drainage improvements within the District, and all potable water distribution and wastewater collection systems improvements for those lands within the District lying East of Canal 18 of the South Florida Water Management District, and to the Northeast Quarter (NE ¼) of the Northeast Quarter (NE ¼) plus the North one-half (N ½) of the North one-half (N ½) of the Southeast Quarter (SE ¼) of the Northeast Quarter (NE ¼) of Section 1, Township 41 South, Range 41 East, in Palm Beach County. The provisions of chapter 298, Florida Statutes, as well as all other applicable laws, shall be followed by the Board of Supervisors of the South Indian River Water Control District in Palm Beach County in issuing said bonds.

Section 16. No effect on bondholders.—Nothing in this Act shall be deemed or construed in any manner to affect the rights of the holders of any of the bonds heretofore issued by said District in accordance with law, or of depriving said bondholders or any of them of any right of action or remedy

given to them by law in connection with said bonds or the enforcement of the collection of taxes to pay principal and interest of the same.

Section 4. This act shall be construed as remedial and shall be liberally construed to promote the purpose for which it is intended.

Section 5. In the event that any part of this act should be held void for any reason, such holding shall not affect any other part thereof.

Section 6. Chapters 11006 (1925), 12271 (1927), 19344 (1939), 20654 (1941), 21731 (1943), 69-1411, 71-820, 78-582, 79-534, 80-575, 81-462, 87-515, 87-517, 91-402, and 2000-435, Laws of Florida, are repealed.

Section 7. This act shall take effect upon becoming a law.

Approved by the Governor May 25, 2001.

Filed in Office Secretary of State May 25, 2001.
